NORBURY AND ROSTON WI **Tuesday June 3rd at 7.30pm**

FLOWERS can mean so much. They can be arranged into large displays or put in a vase. Their colours can brighten a room and lift our mood, the perfume or smell can be used in cosmetics. Colours vary within the same variety, and they can grow very tall or at ground level. In our gardens they follow the seasons, in the wild our countryside is a blaze of different colours. At special events such as weddings, etc., they can evoke emotional memories, and we all love to be given flowers.

Pam from Quirky Flowers in Cheddleton will speak about their business of farming and growing, arranging and special ways with British Flowers.

This is our Open Meeting for family, friends, neighbouring Wi's, and people from our village. Tea and cake included.

This month's competition is for a flower bud in a bud vase.

For more information, call **Gill on 01889 591346**.

NORBURY AND ROSTON PARISH COUNCIL

Village Flowers

The village is now a lot brighter because our annual display of begonias has arrived. Everybody enjoys and admires our wonderful display. This year they will be in new boxes, which have been provided by money given to the Parish Council.

The Parish Council would like to say a big "thank you" to Joy for all her hard work in not only planting but also looking after our wonderful display all summer.
