Thomas Williams Charity

This Charity seeks to support young people who are, or will be attending further education courses either at College or University. This includes apprenticeships, and courses that lead to a trade, profession or calling. Each year this Charity makes small grants available to such young men and women who apply to the Charity for books, equipment, tools etc. which will help them further their education.

The applicants must live in the parishes of Norbury and Roston or Snelston and have attended a State school. (State schools receive funding from their Local Education Authority or directly from the government, such as QEGS in Ashbourne and Thomas Alleyne's High School in Uttoxeter). They must be under 25 years of age.

If you would like to benefit from funding from this charity, please contact **Mrs. Jayne Anders, Trustee (07805478222) or by email at jayneanders2@gmail.com**

We would like this to reach as many people as possible. Please enquire if you think it might apply to you.

NORBURY AND ROSTON WI Tuesday July 1st at 7.30pm

Photography will be the subject of a talk by Ruth Downing. Taking photos of many interesting animals, etc. is something we all try to do on our mobile phones, but getting that angle and pose is not as easy as the professional photographer's results show. To get a few tips and guidance will make this talk beneficial for everyone.

The competition is for a photo or picture of a pet animal.

There is **no** meeting in August, but we will be at the Ashbourne Show.

We are hoping to arrange a visit to the farm/gardens of last month's speaker from 'Quirky Flowers' in Cheddleton. Other visits are also being planned.

For more information, call **Gill on 01889 591346**.

LOCATION OF VILLAGE DEFIBRILLATORS

The two defibrillators in Norbury and Roston are on the front outside wall of the **Village Hall** and on the front of **The Roston Inn public house**. To access either defibrillator, **call 999** for an ambulance and they will provide an access code to open the cabinet. More information can be found on the British Heart Foundation website bhf.org.uk
